

The Temple of Honey Murmur

Title: **The Temple of Honey Murmur**

Format: 1h 30' 3D-Animation

Audience: 6+

Production Stage: Pre-Production

We offer: Co-Production

The storyline of animation series features fantasy world of islands, which overtop dense clouds barrier, where confrontation of two civilizations occurs. The fates of main characters, a young corsair and plaignirl enslaved by hostile Combuchadores, are interlaced complicatedly in the history of destructive war end and beginning of peace. Friendship and reliance, mystical incidents and sinister secrets of Combuchadores Order, fight for freedom and understanding the value of all flesh, all of it is only a part of story, because under the clouds there is something else hidden, something that is absolutely unexplored...

...The combat ship of combuchadores attacked plainmen community and gathered abundant "harvest". A girl named Soaf is among the captives, she is an active and sharp eyed teenager, and she was grown up in total freedom. It is a beginning of her dangerous adventures, soon the flying corsairs will attack the ship to take away the loot, and Soaf will meet by chance a ship boy, young corsair Berro. A ship boy will unexpectedly for him like his peer and will try to free her. But his attempt will be unsuccessful, the attack of corsairs will be fought off, and Berro will fall overboard and disappear in the Darkness.

Then the fates of both teenagers will be braided complicatedly into the story of enmity and attacks end and peace beginning between two civilizations. Ahead they will encounter mystical incidents and sinister secrets of Combuchadores Order, other world revelation and meeting combuchadore giants, fights and treason, fight for freedom and understanding the value of all flesh, friendship and first love..
